JRF

Growing Membership

*Developing a model for guiding the
development & delivery of superior
products & services*

Proposal

Implementing a value-driven measurement system for the Jewish Reconstructionist Movement that results in expanding membership, improving relevancy, and increasing revenue potential for its members and JRF.

Deliverables

- **Providing a unified vision for delivering sustainable value for members, congregations, and the entire reconstructionist movement.**
- **Driving innovation to deliver service & products in new and creative ways.**
- **Driving collaboration & community involvement.**
- **Developing a member-first orientation for JRF and its member organizations.**

Challenges

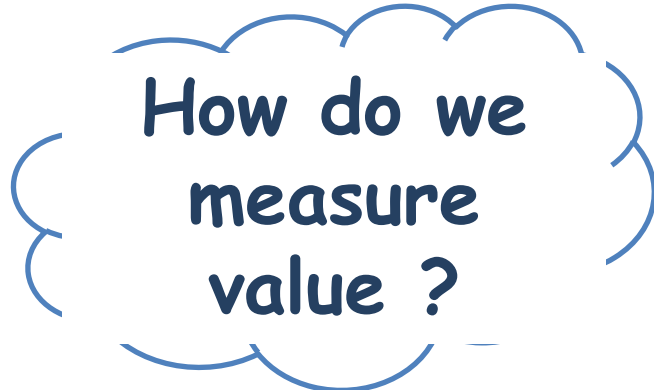

**Escalating
Costs**

**Dwindling
Membership**

**Silos of

Models**

**How do we
measure
value ?**

The Approach

We need to measure value from the perspective of the customer:

- **The Members**
- **The Community**
- **The Organizations**

Enhancing the Membership Model

Providing Members with a way to measure the value they should be receiving from their congregation.

Guiding Congregational Leaders to measure and optimize the value they deliver to Members.

Guiding JRF to deliver optimized value for their organizations and overall membership.
