

Focus Group 1 Results

Concepts	Ideas
Ways to add meaning through guest speakers	Have Bev Lieberman offer storytelling services for group shabbat gatherings
Ways to add meaning through outreach using community service	Friday challah delivery done by volunteers
Ways to bring in new thinking and ideas from guest speakers	bring in guest speakers from the community (educators, musicians, artists)
Ways to bring in new thinking and ideas from guest speakers	public reading from jewish history followed by a discussion
Ways to build community among a specific age group	create a tween shabbat
Ways to build community by learning more about each other	bring "show & tell" items to school (family heirlooms, family members, ...)
Ways to build community through fun activities	bring in music from current Israeli music groups or singers
Ways to build community through fun activities	create a family shabbat and game night
Ways to build community through shared dinners	Set Friday nights for Shir Hadash members to host other members for dinner
Ways to build excitement and reward	do a shabbat raffle where the winner gets a challah, bottle of sparkling grape juice & a home made dessert (all for shabbat)
Ways to build excitement and reward	produce a shabbat music CD to be given to students
Ways to build experiential meaning to shabbat through art	Have kids create art work that is usable for shabbat (kepot, challah covers tzedukah box)
Ways to build experiential meaning to shabbat through art	Take home shabbat kit (prayers, challah cover, candles, ...)
Ways to build External experiences	adopt a grandparent program
Ways to build External experiences	family groups that adopt empty nesters into group
Ways to build Internal Community	Dinner & movie with Jewish theme
Ways to build Internal Community	family education series where an educator is brought in to teach
Ways to build Internal Community	Family field trips
Ways to build Internal Community	Family havurot program that meets for Sat. activities
Ways to build Internal Community	Family Kallahs (retreats, camping trips)
Ways to build Internal Community	Progressive shabbat dinners travelling between family's homes
Ways to create meaning through skits and music	for younger kids shabbat story kits to go home (ie. Book about shabbat with a journal)
Ways to create meaning through skits and music	program on jewish comedians where we can invite members to tell jewish jokes
Ways to create meaning through skits and music	Rechov sumsum (muppets) shabbat DVD to loan to students
Ways to create meaning through skits and music	shabbat skits to be created at Sunday School where kids can share family traditions while others learn varying ways to celebrate
Ways to create meaning through skits and music	Teaching kids who play instruments about klezmer music

Focus Group 1 Results

Concepts	Ideas
Ways to create meaningful new experiences	bring in a given speaker to the school on Sundays
Ways to create meaningful new experiences	hold events at the Bookstore about Jewish History
Ways to create meaningful new experiences	Jewish cooking class for the whole family
Ways to create shared experiences away from our temple	develop and implement family Tikkun Olam (long-term) projects
Ways to create shared experiences away from our temple	Go on a tour of other temples
Ways to create shared experiences away from our temple	Meet with families from Israel to learn and share experiences
Ways to create shared experiences away from our temple	Meet with families from other temples to learn and share experiences
Ways to create shared experiences away from our temple	plan family (membership) outings of jewish significance to experience and learn from
Ways to engage more Congregational Participation	Create lessons from the weekly partia to children to pull them in
Ways to engage more Congregational Participation	include storytelling at Shabbat services
Ways to explore different forms of music	Interpretive shabbats through different forms of artistic expression (i.e. jewish ideas as expressed in popular music, modern day composers)
Ways to explore themes around cultural traditions	Create shabbat themes focused on specific cultural traditions (exploer the impact of work in jewish life, diet, and rituals)
Ways to generate ideas from the younger generation	Ask students to list ideas of things they like to do on shabbat
Ways to get the jewish community outside SH involved	a night of jewish dances and the real way to do a Hora
Ways to get the jewish community outside SH involved	Invite author of Jewish Chicago to speak about chicago jewish community over the years
Ways to get the jewish community outside SH involved	jews in cuba, agentina, russia, et. What is being "jewish" means in these cultures and how it changed over the years
Ways to incorporate older generation's experiences (develop new traditions)	Have older members of Jewish community speak at services about growing up "jewish" in different countries or chicago locations
Ways to incorporate older generation's experiences (develop new traditions)	talking about ancestors and where family members immigrated from
Ways to Incorporate younger generation's experiences (develop new traditions)	have some kids share what it's like being the only Jewish kid and others can share what it's like being in a school of almost all Jewish kids

Focus Group 1 Results

Concepts	Ideas
Ways to Incorporate younger generation's experiences (develop new traditions)	invite different families to homes for family shabbat dinners. Include themes or facets of shabbat
Ways to Incorporate younger generation's experiences (develop new traditions)	teenagers and younger kids present "what being jewish" means to me.
Ways to learn more about the scope of Judaism	have kids learn how different cultures deliverate shabbat and teach this to the rest of the congregation
Ways to learn more about the scope of Judaism	shabbat foods from different Jewish cultures (cook & share)
Ways to promote Family Education	Family mitzvah projects done by family havurot
Ways to promote intergenerational learning and teaching	offer older kids to create a shabbat for younger kids
Ways to promote intergenerational learning and teaching	starting a family choir (kids & adults)
Ways to promote Jewish education history to explore cultures & cultural experiences	hold "themed" shabbat services (i.e. South American shabbat services)
Ways to share experiences	Different families are given a "goal" to report back highlights of their experiences to a larger group.
Ways to share experiences	Do a group JAM session for all to play their instruments
Ways to share experiences	Invite families to conduct a service on a Friday night
Ways to share ideas	Create a pass along from family to family video of home Friday night services
Ways to share ideas	Start a temple book club
	address green environmental issues through Judaism
	ask our older children to teach as teaching "opens the mind" for both teacher & student
	Bring in Israeli soldiers as speakers, see how they train, how they cope with time while away from family
	Bring in local artists to discuss art & Judaism
	Buy a used cruise ship and make that our temple on the weekends and provde tours during off hours to generate revenue
	calendar of monthly SH events & shared events with other groups
	Celebrate the bar/bat mitzvahs in the classrooms (shared experience with classmates)
	Community outreach with members at other temples
	compare & contrast how different generations experience Judaism (grandparents / grandchild dinners
	Conduct Israeli wine tasting
	create a field trip to look at Chicago's Jewish treasures (Spertus, synagogoes, mivahs, kosher butcher)
	create a game (Treasure Hunt) where we find people who are imporant to our faith and learn about them
	Create a game of "life" celebrating Judaism

Focus Group 1 Results

Concepts	Ideas
	Create a game to explore the ways in which Jewish & non-Jewish people are more the same than different
	create a mosaic art exhibit and/or visit an art museum
	create a mural that captures the weekly portion from the Torah
	create a program of outreach to breakthrough labels and stereotypes
	Create a program to interview grandparents to preserve their family history
	Create a session with older people where they can share stories of when they grew up (i.e. "when I was young") to share how things were different / same when they grew up as a Jew
	create a Shabbat Blog
	Create a shabbat for those with special needs
	Create a virtual Shabbat experience and draw in college members
	Create artworks and sculptures
	create meaningful jewelry items as symbols to wear
	Different family members bringing in Jewish treasures or items to show to each other
	Discussion groups to explore how Jews are perceived
	Do a Jewish poetry slam
	do a sleep "under" where everyone wears their PJs, do storytelling and serve breakfast
	draw in other cultures (Jewish & non-Jewish) within our community
	go to Jewish tourist spots (i.e. Newport Rhode Island Synagogue)
	Have an outdoor service at the beach
	have someone come in and teach Krav Maga (Israeli martial art) to our congregation
	incorporate many different colors in dress for shabbat in the clothes of other countries
	international discussion on money-related stereotypes associated with Jews
	interviewing family members, asking specific questions regarding G-d and/or spirituality
	Israeli food tasting with Israeli dance for grandparents & grandchildren
	Jewish wine tasting
	Kibbutz and organic farming experience
	offsite cultural exchange with Mahareshi group in Fairfield, Iowa
	pair up young and old to help them teach each other to "see" what they would not have seen on their own
	reverse view of Young teaching the "Old" where kids lead the songs and prayers
	seating should be in the round at services
	seeing different generations by role playing
	session about the book "The Bible Code" and explore how & what the Jewish community believes about the book
	setup varied locations for shared Shabbat meals
	start a community cleanup program

Focus Group 2 Results

Concepts	Ideas
Way to explore new ideas and then share the new knowledge	Divide the generations to play some Jewish jeopardy
Way to explore new ideas and then share the new knowledge	Read-a-Thon
Way to explore new ideas and then share the new knowledge	Shabbat study session-Divide each age group,breaks off to study and interpret the Parsha, then rejoins group to share their interpretations
Ways to bring the community together through food	Be in a building with a kitchen so that we can cook together
Ways to bring the community together through food	Jewish cookbook
Ways to bring the community together through food	More food competitions, i.e., latke, kugel, gefilte fish, challah, honey cake Each month a different competition
Ways to bring the community together through food	More holiday meal Shabbats
Ways to bring the community together through food	Shabbat Club, Community dinner pre-service
Ways to build a shared culture to create a sense of family amongst SH members	All families are members of a chaverah
Ways to build a shared culture to create a sense of family amongst SH members	More Shabbat services using percussion instruments
Ways to build a shared culture to create a sense of family amongst SH members	Saturday morning mandate service for 5th, 6th and 7th grade
Ways to build a shared culture to create a sense of family amongst SH members	Storytelling Shabbat featuring grandparents telling their family story of how they came to U.S. to be recorded
Ways to build a shared culture to create a sense of family amongst SH members	Tables set up after services with board games
Ways to build a shared culture to create a sense of family amongst SH members	Tikkun Olam Club 1X a month we do service at one location, change venue monthly
Ways to build inter and intra family relationship	Bring Jewish celebrities to speak to kids, parents --sports heroes, comedian
Ways to build inter and intra family relationship	Caring Consultants to help seniors with daily issues Same for issues with children or self
Ways to build inter and intra family relationship	facilitate help groups -marital therapy, parenting,support groups
Ways to build inter and intra family relationship	How to do Shabbat I Pod AP songs, etc.
Ways to build inter and intra family relationship	I Pod Aps Bar and Bat Mitzvah Videos with D'Var Torahs
Ways to build inter and intra family relationship	I Pod Aps Services, Service Outline, Weekly Parshat
Ways to build inter and intra family relationship	Jewish Calendar, Downloads for I Phone
Ways to build inter and intra family relationship	Jewish Recipes on-line, application for I Pod
Ways to build inter and intra family relationship	Kids seeing Judaism through the eyes of a senior-intergenerational programming
Ways to build inter and intra family relationship	shabbat in the home-meet the next week to discuss
Ways to build inter and intra family relationship	special surprise visitors, events
Ways to create a Jewish experience to teach about Jewish traditions	a men's version of Rosh Chodesh

Focus Group 2 Results

Concepts	Ideas
Ways to create a Jewish experience to teach about Jewish traditions	Develop a series of skits and musical accompaniment to put on a variety show about Jewish history
Ways to create a Jewish experience to teach about Jewish traditions	Musical experiences/singing, instruments, dance Storytelling
Ways to create a Jewish experience to teach about Jewish traditions	Record the whole community singing and produce the CD for distribution
Ways to create a Jewish experience to teach about Jewish traditions	Rent Ryerson Woods for an evening of fun, music, and entertainment for the whole community
Ways to create a spiritual/cultural experience of being Jewish/celebrating Shabbat	Ap to tutor Trope
Ways to create a spiritual/cultural experience of being Jewish/celebrating Shabbat	Create a team to direct members where they can get help for change of life help
Ways to create a spiritual/cultural experience of being Jewish/celebrating Shabbat	Retreat --weekend in camp-like setting (celebrate Shabbat/Havdalah music, food, etc.) --certain number mandatory --whole families kids
Ways to create discussion and learning about the Torah portion	App to teach Jewish history-interactive game
Ways to create discussion and learning about the Torah portion	Invite Jewish authors to speak at Shabbat events
Ways to create discussion and learning about the Torah portion	Political/social discussion on the Parsha as it relates to contemporary times
Ways to create interaction	A shabbat play about the Parsha-1 time each month-scripted
Ways to create interaction	Have a writing program and we share the work with each other
Ways to create interaction	Interactive whodunit with the Parsha
Ways to create interaction	Jewish comedy
Ways to create interaction	Mitzvah project-Help build/repair local school/synagogue
Ways to create interaction	Overnighter in a hotel from Friday night to Saturday afternoon
Ways to create interaction	Shabbat opera
Ways to create interaction	Shabbat play-improv/How would you react? Contemporary vs. historic
Ways to encourage participation of kids (1st) and families	Engage older kids to lead Shabbat programs
Ways to encourage participation of kids (1st) and families	Engage post bar/bat mitzvah kids by having an adult/Rabbi call and ask to help at a service, program, etc.
Ways to encourage participation of kids (1st) and families	Have kids call kids to participate in programs
Ways to encourage participation of kids (1st) and families	Shabbat groups--join up families or kids to celebrate Shabbat
Ways to encourage participation of kids (1st) and families	Stronger coordination of joining family groups for monthly (etc) Shabbat dinners, programs

Focus Group 2 Results

Concepts	Ideas
Ways to engage Jewish students in solving green issues	Create a "green" group to take on issues of interest
Ways to engage Jewish students in solving green issues	Organic gardening
Ways to engage Jewish students in solving green issues	Rebuilding our community, i.e., something like Habitat for Humanity
Ways to engage Jewish students in solving green issues	Sponsor a science contest amongst students to address issues with our environment
Ways to engage students outside of SH (locale) in the learning experience	Guide through the Holocaust Museum
Ways to engage students outside of SH (locale) in the learning experience	Set up a video library of classes that we can offer to our "virtual" students
Ways to engage students outside of SH (locale) in the learning experience	Spertus Museum
Ways to engage youth and adults on the North Shore in Jewish music	Establish a music festival based on Kasha "type" music, new age/Jazz with a Jewish influence
Ways to expose families to Judaism around the world	Shabbat around the world-celebrate the way they do in different countries
Ways to expose families to Judaism around the world	Shabbat in the neighborhood-local denominations of Judaism
Ways to involve more people into the art of jewish cuisine	Conduct Jewish story telling
Ways to involve more people into the art of jewish cuisine	setup a day trip to "jewish chicago"
Ways to involve more people into the art of jewish cuisine	setup an area wide cook off of Jewish cuisine w/ a prize for the most creative ideas
Ways to involve more people into the art of jewish cuisine	teach yiddish expressions and have kids use it in a dinner / play party
Ways to involve our children as active learners/performers	children taking a more active role in planning Shabbat activities-not just by grade, but by choice
Ways to involve our children as active learners/performers	Have a monthly skit of the portion of the week put on by students-by choice, not by grade
Ways to learn about our neighbors and have them learn about us	Inter-denominational activities--Services, seders
Ways to live Judaism as a community	a family overnight with Shabbat or Havdallah worked in
Ways to make Judaism accessible to all	Create a service to open up to invite the elderly Jewish community
Ways to make Judaism accessible to all	Doing a service at a senior retirement facility
Ways to make Judaism accessible to all	Jewish lending library
Ways to make Judaism accessible to all	Traveling Shabbat-from home to home
Ways to make Judaism accessible to all	Work with the developmentally disabled at a service
Ways to provide spiritual experiences away from the chaos of everyday life	Build a fountain/wishing well for us to share good wishes

Focus Group 2 Results

Concepts	Ideas
Ways to provide spiritual experiences away from the chaos of everyday life	Constructing the contents of a sanctuary video?
Ways to provide spiritual experiences away from the chaos of everyday life	Explore Jewish ties to astronomy-planetarium, boat trip, float tank, non-talking retreat
Ways to provide spiritual experiences away from the chaos of everyday life	Family Retreat Weekend
Ways to provide spiritual experiences away from the chaos of everyday life	Overnight at Spertus Museum
Ways to provide spiritual experiences away from the chaos of everyday life	Rent space from Ryerson for Shabbat
Ways to provide spiritual experiences away from the chaos of everyday life	Shabbat wine party
Ways to provide spiritual experiences away from the chaos of everyday life	Shir Hadash family camp
Ways to provide spiritual experiences away from the chaos of everyday life	Video or live stream any program
Ways to provide spiritual experiences away from the chaos of everyday life	Video or live streaming service to community
Ways to reach out to regional reconstructionist families	create another jewish concert to be held closer to Deerfield
Ways to reach out to regional reconstructionist families	setup a regional youth group meeting from Shabbat weekend hosted by our families w/ forensic activities
Ways to share cultural Aspects of Judaism	A cooking experience
Ways to share cultural Aspects of Judaism	Farming, Kibbutz, Culture
Ways to share cultural Aspects of Judaism	Israeli dance lessons-monthly?
Ways to share family traditions	Jewish cooking-A day/afternoon of Jewish Family cooking and eating
	bring shabbat into another person's home
	create a jewish match making program for bringing singles together and bringing different age groups together
	create a sense of place (boat, city, business, family, and now shul
	create maccabiceh amongst different congregations
	foster a way to buddy up amongst different age groups
	jewish game show
	provide a SH day trip for skiing
	provide home repair for those in need
	visits and/or projects with other congregations

Combined Output (Sorted by Concept & Idea)

Objective : Develop a Shabbat program to build an all-inclusive, all-embracing Shir Hadash community where members of all ages and all levels want to be a part. Includes Jewish Culture and Traditions (Dance, Music & Food), Jewish History and of course, Jewish Education

Harvesting (Assessing each idea)

Ways to engage youth and adults on the North Shore in Jewish music	Establish a music festival based on Kasha "type" music, new age/Jazz with a Jewish influence	9	2	18
Ways to explore different forms of music	Interpretive shabbats through different forms of artistic expression (i.e. jewish ideas as expressed in popular music, modern day composers)	5	2	10
Ways to explore themes around cultural traditions	Create shabbat themes focused on specific cultural traditions (explore the impact of work in jewish life, diet, and rituals)	5	2	10
Ways to expose families to Judaism around the world	Shabbat around the world-celebrate the way they do in different countries	5	2	10
Ways to expose families to Judaism around the world	Shabbat in the neighborhood-local denominations of Judaism	5	2	10
Ways to generate ideas from the younger generation	Ask students to list ideas of things they like to do on shabbat	1	3	3
Ways to get the jewish community outside SH involved	a night of jewish dances and the real way to do a Hora	6	3	18
Ways to get the jewish community outside SH involved	Invite author of Jewish Chicago to speak about chicago jewish community over the years	1	3	3
Ways to get the jewish community outside SH involved	jews in cuba, argentina, russia, et. What is being "jewish" means in these cultures and how it changed over the years	3	3	9
Ways to incorporate older generation's experiences (develop new traditions)	Have older members of Jewish community speak at services about growing up "jewish" in different countries or chicago locations	5	3	15
Ways to incorporate older generation's experiences (develop new traditions)	talking about ancestors and where family members immigrated from	4	3	12
Ways to Incorporate younger generation's experiences (develop new traditions)	have some kids share what it's like being the only Jewish kid and others can share what it's like being in a school of almost all Jewish kids	3	3	9

Combined Output (Sorted by Concept & Idea)

Objective : Develop a Shabbat program to build an all-inclusive, all-embracing Shir Hadash community where members of all ages and all levels want to be a part. Includes Jewish Culture and Traditions (Dance, Music & Food), Jewish History and of course, Jewish Education		Harvesting (Assessing each idea)		
Concepts	Ideas	Impact (10 = High, 1 = Low)	Do-Ability (3 = Easy, 1 = Hard)	Score
Ways to Incorporate younger generation's experiences (develop new traditions)	invite different families to homes for family shabbat dinners. Include themes or facets of shabbat	6	2	12
Ways to Incorporate younger generation's experiences (develop new traditions)	teenagers and younger kids present "what being jewish" means to me.	3	3	9
Ways to involve more people into the art of jewish cuisine	Conduct Jewish story telling	4	3	12
Ways to involve more people into the art of jewish cuisine	setup a day trip to "jewish chicago"	6	2	12
Ways to involve more people into the art of jewish cuisine	setup an area wide cook off of Jewish cuisine w/ a prize for the most creative ideas	9	1	9
Ways to involve more people into the art of jewish cuisine	teach yiddish expressions and have kids use it in a dinner / play party	1	3	3
Ways to involve our children as active learners/performers	children taking a more active role in planning Shabbat activities-not just by grade, but by choice	5	1	5
Ways to involve our children as active learners/performers	Have a monthly skit of the portion of the week put on by students-by choice, not by grade	6	2	12
Ways to learn about our neighbors and have them learn about us	Inter-denominational activities--Services, seders	6	2	12
Ways to learn more about the scope of Judaism	have kids learn how different cultures deliverate shabbat and teach this to the rest of the congregation	1	3	3
Ways to learn more about the scope of Judaism	shabbat foods from different Jewish cultures (cook & share)	7	2	14
Ways to live Judaism as a community	a family overnight with Shabbat or Havdallah worked in	9	1	9
Ways to make Judaism accessible to all	Create a service to open up to invite the elderly Jewish community	7	3	21
Ways to make Judaism accessible to all	Doing a service at a senior retirement facility	8	2	16
Ways to make Judaism accessible to all	Jewish lending library	4	3	12
Ways to make Judaism accessible to all	Traveling Shabbat-from home to home	3	3	9

Combined Output (Sorted by Concept & Idea)

Objective : Develop a Shabbat program to build an all-inclusive, all-embracing Shir Hadash community where members of all ages and all levels want to be a part. Includes Jewish Culture and Traditions (Dance, Music & Food), Jewish History and of course, Jewish Education

Harvesting (Assessing each idea)

Concepts	Ideas	Impact (10 = High, 1 = Low)	Do-Ability (3 = Easy, 1 = Hard)	Score
Ways to make Judaism accessible to all	Work with the developmentally disabled at a service	7	2	14
Ways to promote Family Education	Family mitzvah projects done by family havurot	1	3	3
Ways to promote intergenerational learning and teaching	offer older kids to create a shabbat for younger kids	7	3	21
Ways to promote intergenerational learning and teaching	starting a family choir (kids & adults)	8	2	16
Ways to promote Jewish education history to explore cultures & cultural experiences	hold "themed" shabbat services (i.e. South American shabbat services)	5	2	10
Ways to provide spiritual experiences away from the chaos of everyday life	Build a fountain/wishing well for us to share good wishes	1	2	2
Ways to provide spiritual experiences away from the chaos of everyday life	Constructing the contents of a sanctuary video?	1	3	3
Ways to provide spiritual experiences away from the chaos of everyday life	Explore Jewish ties to astronomy-planetarium, boat trip, float tank, non-talking retreat	6	2	12
Ways to provide spiritual experiences away from the chaos of everyday life	Family Retreat Weekend	6	1	6
Ways to provide spiritual experiences away from the chaos of everyday life	Overnight at Spertus Museum	8	1	8
Ways to provide spiritual experiences away from the chaos of everyday life	Rent space from Ryerson for Shabbat	8	2	16
Ways to provide spiritual experiences away from the chaos of everyday life	Shabbat wine party	7	3	21
Ways to provide spiritual experiences away from the chaos of everyday life	Shir Hadash family camp	7	1	7

Combined Output (Sorted by Concept & Idea)

Objective : Develop a Shabbat program to build an all-inclusive, all-embracing Shir Hadash community where members of all ages and all levels want to be a part.
