- ▶ Algorithm Licensing
- ▶ Executive Briefings, Keynotes and Workshops

High Impact Cases: Recent MBA Hires

Alejandro Gonzalez ('05)

Office: New York

Most surprising thing about Adjoined: Flexibility and entrepreneurial attitude of Adjoined. You are not only expected to perform well with the client, you are also expected to improve the place you are working at

Working on: Company position analysis

Highlights:

- Customer satisfaction improvement analysis
- Coordinating all-hands strategy meeting

Nadja Specht ('05)

Office: New York

Best thing about Adjoined: You can always come with an idea and find someone who is willing to listen. If the idea is good you can bet that someone will put you in charge to develop it

Working on: Churn reduction strategy

Highlights:

- Collateral analysis of end-to-end process
- Improving Adjoined's evaluation process

Alexander Gonenne ('04)

Office: Atlanta

Best thing about Adjoined: Surrounded by talented people who want to help me grow

Working on: Managing client product trials

Highlights:

- Coordinate and lead client stakeholder meetings
- Assembled a 3-year strategy roadmap
- Redesigned procurement organization for a major restaurant chain, reduced staff by 20%

Carlos Vincentelli ('04)

Office: Miami

Best thing about Adjoined: The focus on improvement/moving forward and not becoming comfortable with the status quo

Working on: Transformation of \$25B service co.

Highlights:

- Developed metrics spanning multi-year transformation effort
- Recruiting and volunteering/community work

More than Just Case Delivery - Adjoined Creates Total Team Participation

Client Work

- ▶ Writing and presenting decks
- ▶ Secondary (and sometimes, primary) research
- ▶ Designing and leading research efforts
- ▶ Financial and operational modeling
- ▶ Profitability analysis
- ▶ Statistical analysis

Firm Building

- ▶ Developing work proposals
- ▶ Generating sales leads
- ▶ Writing and contributing to white papers
- ▶ Developing a relationship with your coach
- ▶ Creating, modifying, and improving next year's recruiting process

Personal Development

- ▶ Developing business assessment and persuasion skills
- ▶ Developing time management skills
- ▶ Learning how to effectively prioritize conflicting demands
- ▶ Learning all the things they forgot to teach you at school

Environment that Supports Growth and Success

Real Experience

- ▶ Off the bench and into the field – fast (Currently no bench!)
 - Real problems with real clients
 - Managing client situations, both good and bad

Immediate Impact

- ▶ Small teams mean visible and direct impact
 - Case delivery
 - Sales!

Senior Client Exposure

- ▶ Minimal layers of case “management” means direct interaction with senior clients
 - Quite possible that you will be working with VPs and Directors on your first day!

Easy Access to Support

- ▶ Highly experienced management team
- ▶ Open-door environment with senior management

Adjoined Consulting

Differentiators

“A compelling and uniquely agile alternative to the large firms...and a true differentiator relative to the mid-sized consultancies in the marketplace today.”

- Gartner

Full Suite of Services

- ▶ Unique among mid-sized consulting firms in its ability to execute a full suite of strategy, technology and outsourcing services

Thought Leadership

- ▶ Leadership team has had the experience of "being the client" and understands the importance of delivering cost effective solutions that produce rapid, focused business results.

Delivery Excellence

- ▶ Adjoined has served over 200 clients since its inception in 2000, has a 100% referenceable portfolio of category leaders, and a team of over 400 of the industry's most talented consultants.

Flexibility

- ▶ As a privately held company we are uniquely positioned to offer business arrangements that meet the needs of our clients and partners, including: time & materials, value based, milestone based, and client satisfaction guarantee service programs.
