

Outcomes (From Tactical)	Outcomes (To Strategic)
Tighter Strategic Alignment With Partners	Improve Collaboration (int & ext) <i>(improve knowledge retention & consumption within the organization, increase value delivery opportunities for supply chain - upstream & downstream)</i>
Business Context	Improve Product To Market Efficiency <i>(improve the % of successful products that are introduced from 15% to 50%)</i>
General EA Success	Optimize Business Planning Cycle <i>(ex. 3-4 months to 3 weeks)</i>
Business Agility	Improve Business Agility <i>(ex. Introduce new product lines w/ minimal costs / downtime for plant operations)</i>
